

## **Hutton & Northey Sales**

### **SERVICE MANAGER**

**(Cunderdin)**

We are seeking the services of a suitably experienced individual to take on the role of Service Manager at our Cunderdin branch. This challenging, hands-on role involves controlling all Service department functions and staff.

In this position you will handle customer enquiries, manage workflow, forward planning and reporting and be responsible for data entry, administration and analysis.

The successful applicant will possess excellent communication skills, basic computer literacy and a desire to take ownership of and enhance the functions of the role. Industry qualifications or experience with Agricultural and/or heavy machinery required.

To apply, contact John Trunfio, Group Service Manager:
